

GONNA GET ALONG WITHOUT YA NOW

Got Along Without Ya Before I met Ya,
Gonna get along without ya now
You told me I was the cutest thing
You even asked me to wear your ring
You ran around with every girl in town
You never cared if it got me down
Uh huh, uh huh, gonna get along without you now.
Uh huh my honey,
Gonna get along without ya now
Got along without ya before I met ya
Gonna get along without ya now
Gonna find somebody who's twice as cute
'Cause I didn't like you anyhow
You told everybody that we were friends
But this is where our friendship ends
'Cause all of a sudden you changed your tune
You haven't been around since way last June.
Uh huh, uh huh, gonna get along without ya now.
Got along without ya before I met ya
Gonna get along without ya now
So long my honey
Goodbye my dear
Gonna get along without you now
Get Along Without Ya Now

GOOD NEWS-CHARIOTS COMIN'

Good news the chariots comin'
Good news the chariots comin'
Good news the chariots comin'
And I don't want it to leave a me behind.

There's a starry crown in heaven I know
A starry crown in heaven I know
There's a starry crown in heaven I know
And I don't want it to leave me behind."

Good news the chariots comin'
Good news the chariots comin'
Good news the chariots comin'
And I don't want it to leave a me behind.

GOSH DARN DUMMY

You take the leg from some old table
you take the arm from some old chair
you take the neck from some old bottle
and from a horse you take some hair,
You take some hair
And then you put them all together
with the aid of string and glue
and I'll get more lovin'
from a gosh darn dummy
than I'll ever get from you!

GRANDPA'S WHISKERS

Chorus:

Oh they're always in the way
the crows eat them for hay
they hide the dirt on grandpa's shirt
they're always in the way

When grandpa went to war
he fooled the enemy
he hid behind his whiskers
they thought he was a tree
CHORUS

When grandpa goes in swimming
no bathing suit for him
he ties his whiskers 'round his waist
and then he dives right in
CHORUS

Oh grandpa has a car
he calls it his machine
his whiskers come in handy
for straining gasoline
CHORUS

GREEN TREES

Green Trees around us, blue skies above, Friends all around us In a world filled with love
Taps softly sounding Hearts beating true As CARLISLE/CAMELOT says, Goodnight to you.

GRANDMA'S FEATHER BED

When I was a little bitty boy
just up off a floor
We used to go down to Grandma's house
ev'ry month end or so,
We'd have chicken pie, country ham,
'n' home made butter on the bread
But the best darn thing about Grandma's house
was her great big feather bed

CHORUS: It was nine feet high and six feet wide
soft as a downy chick
It was made from the feathers of forty 'leven geese
took a whole bolt of cloth for the tick
It'd hold eight kids 'n' four hound dogs
and a piggy we stole from the shed
We didn't get much sleep but we had a lot of fun
on Grandma's feather bed

After supper we'd sit around the fire
the old folks'd spit and chew
Pa would talk about the farm and the war
and Granny'd sing a ballad or two
I'd sit and listen and watch the fire
till the cobwebs filled my head
Next thing I'd know I'd wake up in the mornin'
in the middle of the old feather bed

CHORUS

Well I love my Ma, I love my Pa
I love Granny and Grandpa too
I been fishin' with my uncle
I rasled with my cousin
I even kissed Aunt Lou ooo!
But if I ever had to make a choice
I guess it oughta be said
That I'd trade 'em all plus the gal down the road
for Grandma's feather bed
I'd trade 'em all plus the gal down the road...

GRANNY'S IN THE CELLAR

Granny's in the cellar
Lordy can't you smell 'er
Making biscuits on her derned ol' dirty stove
In her eye there is some matter
that keeps dripping in the batter
and she whistles while the
(big sniff) runs down her nose Down her nose
Down her nose, (to her toes),
Down her nose, (to her toes),
And she whistles while the
(big sniff) runs down her nose
In her eye there is some matter
that keeps dripping in the batter
and she whistles while the
(big sniff) runs down her nose

HERE, THERE, AND EVERYWHERE

To lead a better life
I need my love to be here
Here - making each day of the year
Changing my life with a wave of his hand
Nobody can deny that there's something there.

There - running my his hands through my hair
Both of us thinking how good it can be
Someone is speaking
But he doesn't know she's there.

I want him everywhere
And if he's beside me I know I need never care
Just to love him is to need him everywhere.
Knowing that love is to share
Each one believing that love never dies
Watching his eyes - and hoping I'm always there
To be there and everywhere
Here, there and everywhere.

HEY THAT'S NOW WAY TO SAY GOODBYE

I loved you in the morning, your kisses deep and
warm.
Your head upon my pillow, like a sleepy golden storm.
Many loved before us - I know we are not new.
In city and in forest, they smiled like me and you.
But now it's come to distances both of us must try;
Your eyes are soft with sorrow -
Hey, that's no way to say goodbye.

I'm not looking for another as I wander through my
time.
Walk me to the corner - our steps will always rhyme.
You know my love goes with you, as your love stays
with me.
It's just the way life changes, like the shoreline of the
sea.
But let's not talk of love or change, or things we can't
untie -
Your eyes are soft with sorrow -
Hey, that's no way to say goodbye.

HANG DOWN YOUR HEAD TOM DOOLEY

CHORUS:

Hang down your head, Tom Dooley,
Hang down your head and cry;
Hang down your head, Tom Dooley,
Poor boy, you're bound to die.

I met her on the mountain,
There I took her life;
Met her on the mountain,
Stabbed her with my knife.

CHORUS

This time tomorrow,
Reckon where I'll be;
Hadn't a-been for Grayson,
I'd a-been in Tennessee.

CHORUS

This time tomorrow,
Reckon where I'll be;
Down in some lonesome valley,
Hangin' from a white oak tree.

CHORUS

Hang down your head, Tom Dooley,
Hang down your head and cry;
Hang down your head, Tom Dooley,
Poor boy, you're bound to die.
Poor boy, you're bound to die;
Poor boy you're bound to die;
Poor boy, you're bound to die...

HE AIN'T HEAVY HE'S MY BROTHER

The road is long
With many a winding turn
That leads us to who knows where
Who knows where
But I'm strong
Strong enough to carry him
He ain't heavy, he's my brother.

So on we go
His welfare is my concern
No burden is he to bear
We'll get there
For I know
He would not encumber me
He ain't heavy, he's my brother.

If I'm laden at all
I'm laden with sadness
That everyone's heart
Isn't filled with the gladness
Of love for one another.

It's a long, long road
From which there is no return
While we're on our way to there
Why not share
And the load
Doesn't weigh me down at all
He ain't heavy, he's my brother.

He ain't heavy, he's my brother.

HURRY SUNDOWN

MY SEED IS SOWN NOW, MY FIELD IS
PLOWED
MY FLESH IS BONE NOW, MY BACK IS BOWED

SO HURRY SUNDOWN, BE ON YOUR WAY
AND HURRY SUN-UP, FROM THIS BEAT-UP
SUN DOWN DAY
HURRY DOWN SUNDOWN, BE ON YOUR WAY
LEAVE ME TOMORROW OUT OF TODAY

TOMORROW'S BREEZE NOW BLOWS CLEAN
AND LOUD
I'M OFF MY KNEES NOW, AND STANDING
PROUD

SO HURRY SUNDOWN, BE ON YOUR WAY
AND HURRY SUN-UP, FROM THIS BEAT-UP
SUN DOWN DAY
HURRY DOWN SUNDOWN, BE ON YOUR WAY
LEAVE ME TOMORROW OUT OF TODAY

MY SORROWS SONG NOW JUST WON'T BREAK
THROUGH
THAT BRAVE NEW DAWN NOW, LONG
OVERDUE

SO HURRY SUNDOWN, BE ON YOUR WAY
AND HURRY SUN-UP, FROM THIS BEAT-UP
SUN DOWN DAY
HURRY DOWN SUNDOWN, BE ON YOUR WAY
LEAVE ME TOMORROW OUT OF TODAY

HOUSE OF THE RISING SUN

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God I know I'm one

My mother was a tailor
She sewed my new bluejeans
My father was a gamblin' man
Down in New Orleans

Now the only thing a gambler needs
Is a suitcase and a trunk
And the only time he's satisfied
Is when he's on a drunk

Oh mothers tell your children
Not to do what I have done
Don't spend your lives in sin and misery
In the House of the Rising Sun

Well, I got one foot on the platform
The other foot on the train
I'm goin' back to New Orleans
To wear that ball and chain

Well, there is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God I know I'm one

I BELIEVE

I believe for every drop of rain that falls
A flower grows,

I believe that somewhere in the darkest night
A candle glows.

I believe for everyone who goes astray
Someone will come to show the way.

I believe, Oh, I believe.

I believe above the storm

The smallest prayer, will still be heard.

I believe that someone in that great somewhere
Hears every word

Every time I hear a newborn baby cry,
Or touch a leaf Or see the sky,
Then I know why I believe.

Every time I hear a newborn baby cry,
Or touch a leaf Or see the sky,
Then I know why I believe.

I WANNA BE SEDATED

Twenty-twenty-twenty four hours to go

I wanna be sedated

Nothing to do Nowhere to go

I wanna be sedated

Just get me to the airport And put me in a plane

Hurry hurry hurry before I go insane

I BELIEVE IN MUSIC

I believe in music, I believe in love!
I believe in music, I believe in love!

Well I can just sit around makin' music all day long,
Long as I'm makin' music, I can't do nobody no wrong!
And who knows maybe someday I'll come up with a
song, That makes people want to stop their fussin' an'
fightin' Long enough to sing along!

I believe in music, I believe in love
I believe in music, I believe in love!

Music is love, love is music, if you know what I mean,
People who believe in music are the happiest people I've
ever seen! So clap your hands an' stomp your feet, shake
your tambourine,
(Lift your voices to the sky)
God loves you when you sing!

I believe in music, I believe in love
I believe in music, I believe in love!

Music is the universal language and love is the key,
To brotherhood an' peace an' understandin' to live in
harmony! So, take your brothers by the hand and sing
along with me, Find out what it really means to be
young, rich an' free!

I believe in music, I believe in love
I believe in music, I believe in love!

I'D LIKE TO TEACH THE WORLD TO SING

I'd like to build the world a home and
Furnish it with love.

Grow apple trees and honey bees and
Snow white turtle doves.

I'd like to teach the world to sing in perfect harmony.
I'd like to hold it in my arms and keep it company.

I'd like to see the world for once all
Standing hand in hand,
And hear the echo through the hills for
Peace throughout the land.

That's the song I hear,
Let the world sing today.

I can't control my fingers, I can't control my brain
Oh no oh ho I wanna be sedated
Just put me in a wheelchair And get me to the show
Hurry hurry hurry before I go loco
I can't control my fingers
I can't control my toes
Oh no oh ho I wanna be sedated.

I HAD A DOG AND HIS NAME WAS BLUE

I had a dog and his name was Blue

Ol' Blue come when I blow my horn
Ol' Blue come when I blow my horn
A' Blue come a' runnin' through the yella' corn
A' Blue come a' runnin' when I blow my horn
Singin' "here, ol' Blue, you're a good dog, you!"

I LOVE TO GO A-WANDERING

I love to go a-wandering,
Along the mountain track,
And as I go, I love to sing,
My knapsack on my back.

Chorus:
Val-deri, Val-dera,
Val-deri,
Val-dera-ha-ha-ha-ha-ha
Val-deri, Val-dera.
My knapsack on my back.

I love to wander by the stream
That dances in the sun,
So joyously it calls to me,
"Come! Join my happy song!"

I wave my hat to all I meet,
And they wave back to me,
And blackbirds call so loud and sweet
From ev'ry green wood tree.

High overhead, the skylarks wing,
They never rest at home
But just like me, they love to sing,
As o'er the world we roam.

Oh, may I go a-wandering
Until the day I die!
Oh, may I always laugh and sing,
Beneath God's clear blue sky!

I'M A LITTLE PIECE OF TIN

I'm a little piece of tin, nobody knows where I've been
Got four wheels and a runnin board

Honk, Honk, Rattle, Rattle, Rattle, Crash, Beep, Beep
Honk, Honk, Rattle, Rattle, Rattle, Crash, Beep, Beep
Honk, Honk, Rattle, Rattle, Rattle, Crash, Beep, Beep
Honk, Honk, Rattle, Crash, BEEP

I UNDERSTAND

I understand just how it feels today
To be a part of Camp Carlisle
Where friendships grow and grow
And campers learn to know
of Camp Carlisle
Our dear Carlisle
Oh I will never forget the day we met
The love we shared at Camp Carlisle
Our Dear Carlisle

I AM WOMAN

I am woman, hear me roar,
In numbers too big to ignore,
And I know too much to go back and pretend.
'Cause I've heard it all before and
I've been down there on the floor.
No one's ever gonna keep me down again.

Oh yes, I am wise, but it's wisdom born of pain
Yes, I've paid the price, but look how much I've gained
If I have to, I can do anything
I am strong, I am invincible, I am Woman!

You can bend but never break me,
'Cause it only serves to make me
More determined to achieve my final goal.
And I come back even stronger,
Not a novice any longer,
'Cause you've deepened the conviction in my soul.

Oh yes, I am wise, but it's wisdom born of pain
Yes, I've paid the price, but look how much I've gained
If I have to, I can do anything
I am strong, I am invincible, I am Woman!

I am woman, watch me grow,
See me standing toe to toe,
As I spread my loving arms across the land.
But I'm still an embryo with
A long, long way to go,
Until I make my brother understand.

Oh yes, I am wise, but it's wisdom born of pain
Yes, I've paid the price, but look how much I've gained
If I have to, I can do anything
I am strong, I am invincible, I am Woman!
I am Woman, I am Woman!

I'M A LITTLE TNT

I'm a little TNT I'm as cute as I can be
I can sing and I can dance I wear ruffles on my —
oops boys take another guess
I wear ruffles on my dress

I AM A ROCK

A winter's day
In a deep and dark December
I am alone
Gazing from my window
To the streets below
On a freshly fallen silent shroud of snow
I am a rock
I am an island
I've built walls
A fortress deep and mighty
That none may penetrate
I have no need for friendship
Friendship causes pain
It's laughter and it's loving I disdain.
I am a rock
I am an island
Don't talk of love
Well, I've heard the word before
It's sleeping in my memory
I won't disturb the slumber
Of feelings that have died
If I'd never loved,
I never would have cried
I am a rock
I am an island
I have my books
And my poetry to protect me
I am shielded in my armor
Hiding in my room
Safe within my womb
I touch no-one and no-one touches me
I am a rock
I am an island
And the rock feels no pain
And an island never cries

I WANNA MAKE YOU LOVE ME

Friendly stranger, look what you do to me.
Smiling faces, and I melt inside.
Singing praises of your company - I
Want to lay me down, stay all through the night.

You are too good to be wholly and totally mine
You are too good to be slipping away like a wine
And I'm waiting, praying, skating on the edge of the line
Let me down easy, let me down easy.

I want to make you love me,
And I want to make you smile.
And I want to be your family,
For just a little while.

I get frightened by the thunder.
And the lightening roars like a bullet in the pouring rain.
I get heightened by your wandering arms
Lay me down - do it all over again.

You are too good to be wholly and totally mine
You are slipping away and I'm making you stay and I'm
Waiting for the sun to shine.
I go rolling down an incline, holding on a lifeline,
Stopping on the edge of a dime.
Let me down easy, let me down easy.

I want to make you love me,
And I want to make you smile.
And I want to be your family,
For just a little while.

I HAD A LITTLE CHICK

I had a little chick and it wouldn't lay an egg
so I poured hot water up and down it's leg
well the little chick cried and the little chick begged
and the little chick laid me a hard boiled egg
SOME CHICK !!

INDIANS ARE HIGH MINDED

Indians are high minded
Bless my soul they're double jointed
They climb hills
and don't mind it
All Day Long

IF

If a picture paints a thousand words, then
Why can't I paint you?
The words will never show, the you I've come to
know.

If a face could launch a thousand ships, then
Where am I to go?
There's no one home but you;
You're all that's left me too.
And when my love for life is running dry,
You come and pour yourself on me.

If a man could be two places at one time
I'd be with you.
Tomorrow and today, beside you all the way.

If the world should stop revolving, spinning
Slowly down to die,
I'd spend the end with you, and
When the world was through, then
One by one, the stars would all go out,
Then you and I would simply fly away.

I'VE BEEN WORKING ON THE RAILROAD

I've been working on the railroad
All the livelong day
I've been working on the railroad
Just to pass the time away

Can't you hear the whistle blowing
Rise up so early in the morn
Can't you hear the captain shouting
Dinah, blow your horn

Dinah, won't you blow
Dinah, won't you blow
Dinah, won't you blow your horn
Dinah, won't you blow
Dinah, won't you blow
Dinah, won't you blow your horn

Someone's in the kitchen with Dinah
Someone's in the kitchen I know
Someone's in the kitchen with Dinah
Strumming on the old banjo, and singing

Fie, fi, fiddly i o
Fie, fi, fiddly i o
Fie, fi, fiddly i o
Strumming on the old banjo

IF

(4th year campers version, 1976 1st Big Kids Session)

If some people love a place so much
Then why can't they remain
The summers we've spent here
Are memories we hold dear.
The enchantment of this magic place
Is hard to understand
For those who have not shared
The memories that we've found
And when we're gone we'll think of the love we've
shared And how we wish we could be there

If there is no place like Camp Carlisle
Then why are we to go
Tomorrow and today our love will always show.

If our friendship should grow on and on
Camp won't be there with them
But in our hearts we know that's
Where they've all begun
But our last time is slowly drawing near
Then you and I will simply say good-bye.

IF I HAD A HAMMER

If I had a hammer, I'd hammer in the morning
I'd hammer in the evening, all over this land
I'd hammer out danger, I'd hammer out a warning,
I'd hammer out love between my brothers and my
sisters, all over this land.

If I had a bell, I'd ring it in the morning,
I'd ring it in the evening, all over this land
I'd ring out danger, I'd ring out a warning
I'd ring out love between my brothers and my sisters,
all over this land.

If I had a song, I'd sing it in the morning,
I'd sing it in the evening, all over this land
I'd sing out danger, I'd sing out a warning
I'd sing out love between my brothers and my sisters,
all over this land.

Well I got a hammer, and I got a bell,
and I got a song to sing, all over this land.
It's the hammer of Justice, it's the bell of Freedom,
it's the song about Love between my brothers and my
sisters, all over this land.

It's the hammer of Justice, it's the bell of Freedom,
it's the song about Love between my brothers and my
sisters, all over this land.

16. Water Bed-Oh, I'd wobble and I'd wiggle and make the sleepers giggle

IN THE SHADES OF EVENING

In the shades of evening, there will be no grieving,
Even tho' you're leaving Carlisle far behind us.
There'll be many memories, there'll be many letters,
there'll be lonely hours 'til we meet again.

Then we'll have our reunion, there'll be toasts and singing
and you'll hear us bringing praises to you 'til then.
Carlisle now departing, come bid sweet a-adieu,
Carlisle ever after we'll remember you.

IN A CABIN IN THE WOODS

In a cabin in the woods
Little man by the window stood
Saw a rabbit hopping by
Knocking at his door
Help me, help me, help he cried
'Ere the hunter will shoot me dead
Come little rabbit come with me
Happy we will be.

IN A MOMENT OF MY LIFE

In the morning of my life I will look to the sunrise
At a moment in my life when the world is new
And the blessing I shall ask is that God will grant me
To be brave and strong and true
And to fill the world with love my whole life through.

CHORUS: And to fill the world with love (3X)
My whole life through.

In the noon-time of my life I shall look to the sunshine
At a moment in my life when the sky is blue
And the blessing I shall ask will remain unchanging
To be brave and strong and true
And to fill the world with love my whole life through.

CHORUS

In the evening of my life I shall look to the sunset
At a moment in my life when the night is due
And the question I shall ask only you can answer
Did I fill the world with love my whole life through?

CHORUS:
Did I fill the world with love (3X)
My whole life through?

IN THE PINES

The longest train I ever saw
Went down that Georgia line
The engine passed at six o'clock
And the cab passed by at nine.

In the pines, in the pines
Where the sun never shines
And we shiver when the cold wind blows;

I asked my captain for the time of day
He said he threw his watch away
A long steel rail and a short cross tie
I'm on my way back home.

Little girl, little girl, what have I done
That makes you treat me so?
You caused me to weep, you caused me to mourn
You caused me to leave my home.

IN THE STILL OF THE NIGHT

In the still of the night
I held you
Held you tight
'Cause I love
Love you so
Promise I'll never
Let you go
In the still of the night
I remember
That night in May
The stars were bright above
I'll hope and I'll pray
To keep your precious love
Well before the light
Hold me again
With all of your might
In the still of the night
(In the still of the night)
So before the light
Hold me again
With all of your might
In the still of the night
(In the still of the night)
In the still of the night

IT'S MY PARTY

CHORUS: It's my party, and I'll cry if I want to
Cry if I want to, cry if I want to
You would cry too if it happened to you

Nobody knows where my Johnny has gone
Judy left the same time
Why was he holding her hand
When he's supposed to be mine

CHORUS

Playin' my records, keep dancin' all night
Leave me alone for a while
'Till Johnny's dancin' with me
I've got no reason to smile

CHORUS

Judy and Johnny just walked through the door
Like a queen with her king
Oh what a birthday surprise
Judy's wearin' his ring

CHORUS
