## SCARLET RIBBONS

I peeked in to say goodnight,

And then I heard my child in prayer:

"And for me some scarlet ribbons,

Scarlet ribbons for my hair"

All the stores were closed and shuttered,

All the streets were dark and bare

In our town, no scarlet ribbons,

Not one ribbon for her hair

Through the night my heart was aching,

Just before the dawn was breaking,

I peeked in and on her bed,

In gay profusion lying there,

Lovely ribbons, scarlet ribbons,

Scarlet ribbons for her hair

If I live to be two hundred,

I will never know from where,

Came those lovely scarlet ribbons,

Scarlet ribbons, for her hair!

## SANTA CATALINA

Twenty- six miles across the sea  
Santa Catalina is a-waitin' for me  
Santa Catalina, the island of  
romance, romance, romance, romance

Water all around it everywhere  
Tropical trees and the salty air  
But for me the thing that's a-waitin' there-romance

It seems so distant, twenty-six miles away  
Restin' in the water serene  
I'd work for anyone, even the Navy  
Who would float me to my island dream

Twenty- six miles, so near yet far  
I'd swim with just some water-wings and my guitar  
I could leave the wings but I'll need the guitar for  
romance, romance, romance, romance

Twenty- six miles across the sea  
Santa Catalina is a-waitin' for me  
Santa Catalina, the island of romance

A tropical heaven out in the ocean  
Covered with trees and girls  
If I have to swim, I'll do it forever  
Till I'm gazin' on those island pearls

Forty kilometers in a leaky old boat  
Any old thing that'll stay afloat  
When we arrive we'll all promote  
romance, romance, romance, romance

Twenty- six miles across the sea  
Santa Catalina is a-waitin' for me  
Santa Catalina, the island of r  
omance, romance, romance, romance

## SHANGRI LA

Your kisses take me to Shangri La  
Each kiss is magic that makes my little world a Shangri  
La

A land of bluebirds and fountains and nothing to do  
But cling to an angel that looks like you  
And when you hold me how warm you are  
Be mine my darling and make my little world a  
Shangri La  
Cause anywhere you are is Shangri La

## SAVE YOUR HEART FOR ME

Walk along the lake with someone new,  
Have yourself a summer fling or two,  
But remember I'm in love with you  
And save your heart for me.

When the summer moon is on the rise,  
And you're dancin' under starlit skies,  
Please don't let the stars get in your eyes,  
Just save your heart for me.

When you're all alone, far away from home,  
Someone's gonna flirt with you.  
I won't think it's wrong if you play along,  
Just don't fall for someone new.

When the autumn winds begin to blow  
And the summer time is long ago,  
You'll be in my arms again, I know,  
So save your heart for me,  
Darlin', save your heart for me.

Please remember I'm in love with you,  
So save your heart for me,  
Darlin', save your heart for me.

## SLUMBER MY BABY

-sung in rounds

Slumber my baby, slumber my baby,  
slumber by baby A-roo, a-roo

## SEALED WITH A KISS

Though we've got to say good-bye  
For the summer  
Darling, I promise you this  
I'll send you all my love  
Everyday in a letter  
Sealed with a kiss

### CHORUS:

Yes it's gonna be cold, lonely summer  
But I'll fill the emptiness  
I'll send you all my dreams  
Everyday in a letter  
Sealed with a kiss

I'll see you in the sunlight  
I'll hear your voice everywhere  
I'll run to tenderly hold you  
But, Darlin' you won't be there

I don't wanna say good-bye  
For the summer  
Knowing the love we'll miss  
Let us make a pledge  
To meet in September  
And seal it with a kiss

### (CHORUS)

Sealed with a kiss  
Sealed with a kiss  
Sealed with a kiss

## SHE'S MORE TO BE PITIED

She's there at the bar every evening  
Face powdered and cheeks painted red  
Her beauty has faded too early Brought on by the fast  
life she led  
She's more to be pitied than scolded She needs to be  
loved, not despised  
Too much beer and wine, too many good times  
The lure of the honky tonk wrecked her young life  
She once was the belle of the ballroom  
She'd made some man a sweet wife  
But too many parties, the wrong kind of pals  
Ruined her happy young life

## SEE YOU IN SEPTEMBER

I'll be alone each and every night  
While you're away, don't forget to write

See you in September  
See you when the summer's through  
If you are saying goodbye at the station  
Summer vacation is taking you away

Have a good time but remember  
There is danger in the summer moon above  
Will I see you in September  
Or lose you to a summer love?

Counting the days 'til I'll be with you  
Counting the hours and the minutes too

Have a good time but remember  
There is danger in the summer moon above  
Will I see you in September  
Or lose you to a summer love?

## THE SEINE

One night along the river at San  
I first met my beloved at a small sidewalk cafe  
We walked along the river, shadows passing by  
But we only saw each other, the shining water, and the  
sky

The Seine, the Seine, when will I again  
Meet her there, greet her there on the moonlit banks of  
the Seine.

Standing there across the river the sound of horn and  
tram  
In all her quiet beauty, the cathedral Notre Dame  
And as we passed beside her I said a little prayer  
That when this dream was over I'd awake and find her  
there

The Seine, the Seine, when will I again  
Meet her there, greet her there on the moonlit banks of  
the Seine.

We walked along the river till dawn was drawing nigh  
Beneath the Eiffel Tower we said our last goodbye  
There on the spendid morning I saw you all in tears  
And the beauty of that hour will shine within me  
through the years

## SHENANDOAH

The Missouri, she's a mighty river  
Away you rolling river  
The red man's camp lies on her borders  
Away, we're bound away across the wide Missouri

A white man loved an Indian maiden  
Away you rolling river  
With notions sweet his canoe was laden  
Away, we're bound away across the wide Missouri

O Shenandoah, I love your daughter  
Away you rolling river  
I'll take her 'cross the rolling water  
Away, we're bound away across the wide Missouri

The chief disdained the trader's dollars  
Away you rolling river  
My daughter never you shall follow  
Away, we're bound away across the wide Missouri

At last there came a Yankee skipper  
Away you rolling river  
He winked his eye, and he tipped his flip  
Away, we're bound away across the wide Missouri

He sold the chief that fire-water  
Away you rolling river  
And 'cross the river he stole his daughter  
Away, we're bound away across the wide Missouri

O Shenandoah, I long to hear you  
Away you rolling river  
Across the wide and rolling water  
Away, we're bound away across the wide Missouri

## SOMETIMES - Karen Theiling

Sometimes, in the morning,  
Catch a falling dream - a disappearing seam  
And I think about a someone, I may never see again.  
Now it's only me again - oh no.

And sometimes, in the morning,  
I think I hear a phrase echo through the haze,  
And it's just beyond my vision,  
Something that you said one night  
Before we went to bed one night.

And sometimes, in the morning,  
I go back to sleep - trying hard to keep  
All my memories in motion, wishing you were here  
Whispering in my ear, my love  
My love, my love.

## SIMPSON

CHORUS:  
Hey, Hey Simpson, fatty, fatty, two by four  
hey, hey simpson, saw you hug the ugly girl next door.

When I was just eleven  
there was a fat boy on our block,  
his name was Leonard Simpson,  
and we laughed at him a lot.

## CHORUS

He wore some bibbed overalls,  
his old man cut his hair, h  
e wore some high topped army boots,  
and sleeveless underwear.

## CHORUS

One day we played a joke on him,  
we let him join our club,  
we carved his name into the door,  
then splattered it with mud.

## CHORUS

Well that was eighteen years ago,  
now I'm twenty nine,  
Simpson died a while ago,  
a hero of our time,  
they say he helped a colored boy,  
who was pestered by a gang,  
they say he helped him get away, a  
nd was beat to death by chains.

## CHORUS

Funny how the years go by,  
success for some,  
for some great loss,  
reminds me of long ago,  
Of a Man, some blood, and a Cross.

## CHORUS

## SWIMMING, SWIMMING

Swimming, swimming, in the swimming pool  
when days are hot, when days are cold,  
in the swimming pool,  
breast stroke, side stroke, fancy diving too,  
now wouldn't it be nice to have  
nothing else to do!

### SNOOPY VERSUS THE RED BARON

After the turn of the century  
In the clear blue skies over Germany  
Came a roar and a thunder men had never heard  
Like the scream and the sound of a big war bird  
Up in the sky, a man in a plane  
Baron von Richthofen was his name  
Eighty men tried, and eighty men died  
Now they're buried together on the countryside

CHORUS: Ten, twenty, thirty, forty, fifty or more  
The Bloody Red Baron was rollin' out the score  
Eighty men died tryin' to end that spree  
Of the Bloody Red Baron of Germany

In the nick of time, a hero arose  
A funny-looking dog with a big black nose  
He flew into the sky to seek revenge  
But the Baron shot him down--"Curses, foiled again!"

### CHORUS

Now, Snoopy had sworn that he'd get that man  
So he asked the Great Pumpkin for a new battle plan  
He challenged the German to a real dogfight  
While the Baron was laughing, he got him in his sight  
That Bloody Red Baron was in a fix  
He'd tried everything, but he'd run out of tricks  
Snoopy fired once, and he fired twice  
And that Bloody Red Baron went spinning out of sight

### CHORUS

### SNOWBALL

Oh Mammy Mammy tell me  
about those white folks chillin'  
how come they call me snowball  
when snowball ain't my name

My Mammy calls me Sugarlump  
My Pappy calls me Appledump  
Oh Mammy Mammy ain't it a shame  
that Snowball ain't my name

### STEWBALL

Oh, Stewball was a race horse,  
And I wish he were mine.  
He never drank water.  
He always drank wine.  
His bridle was silver.  
His mane, it was gold.  
And the worth of his saddle  
Has never been told.

Stewball was a good horse  
he had a high head  
and the mane on his foretop  
was as fine as silk thread  
I rode him in England  
I rode him in Spain  
he was never a loser  
he always did gain

Oh, the fair grounds were crowded,  
And Stewball was there.  
But the betting was heavy,  
On the bay and the mare.  
And way up yonder,  
Ahead of them all  
Came a prancing and a dancing,  
my noble Stewball.

I bet on the grey mare,  
I bet on the bay.  
If I'd a-bet on old Stewball,  
I'd be a free man today.  
Oh, the hoot owl she hollers,  
And the turtle dove moans,  
I'm a poor boy in trouble.  
A long way from home.

Oh, Stewball was a race horse,  
And I wish he were mine.  
He never drank water.  
He always drank wine

### STICK OF BAMBOO

You take a stick of bamboo,  
you take a stick of bamboo,  
you take a stick of bamboo,  
you throw it in the water,  
Oh, oh, Hanaah.

You take a stick of bamboo,  
you take a stick of bamboo,  
you take a stick of bamboo,  
you throw it in the water,  
Oh, oh, Hanaah.

River, she come down.  
River, she come down.

You travel on the river,  
you travel on the river,  
you travel on the river,  
you travel on the water,  
Oh, Oh, Hanaah.

You travel on the river,  
you travel on the river,  
you travel on the river,  
you travel on the water,  
Oh, Oh, Hanaah.

River, she come down.  
River, she come down.

My home's across the river,  
my home's across the river.  
My home's across the river,  
my home's across the water.  
Oh, Oh, Hanaah.

My home's across the river,  
my home's across the river.  
My home's across the river,  
my home's across the water.  
Oh, Oh, Hanaah.

River, she come down.  
River, she come down.

You take a stick of bamboo,  
you take a stick of bamboo,  
you take a stick of bamboo,  
you throw it in the water.

## SLOOP JOHN B

We come on the sloop John B, my grandfather and me,  
around Nassau town we did roam  
Drinking all night, got into a fight,  
well I feel so broke up, I want to go home..

So hoist up the John B's sail, see how the mainsail sets,  
call for the Captain ashore  
Let me go home, let me go home...I wanna go home,  
yeah yeah  
Well I feel so broke up, I wanna go home

The first mate he got drunk, and broke in the Cap'n's  
trunk  
The constable had to come and take him away  
Sheriff John Stone, why don't you leave me alone,  
yeah yeah  
Well I feel so broke up I wanna go home

So hoist up the John B's sail, see how the mainsail sets,  
call for the Captain ashore  
Let me go home, let me go home...I wanna go home,  
yeah yeah  
Well I feel so broke up, I wanna go home

The poor cook he caught the fits, and threw away all  
my grits  
And then he took and he ate up all of my corn  
Let me go home, why don't they let me go home  
This is the worst trip I've ever been on.

So hoist up the John B's sail, see how the mainsail sets,  
call for the Captain ashore  
Let me go home, let me go home, I wanna go home, let  
me go home  
Why don't you let me go home?

## SUGAR MOUNTAIN

Oh - to live on Sugar Mountain  
With the barkers and the colored balloons  
You can't be twenty on Sugar Mountain  
Though you're thinkin' that you're leavin' there too  
soon.  
You're leavin' there too soon.

It's noisy at the fair but all your friends are there  
And the candy floss you had, and your mother and  
your dad  
There's a girl just down the aisle - oh, to turn and see  
her smile  
You can hear the words she wrote as you read the  
hidden note.

Oh - to live on Sugar Mountain  
With the barkers and the colored balloons  
You can't be twenty on Sugar Mountain  
Though you're thinkin' that you're leavin' there too  
soon.  
You're leavin' there too soon.

Now you're underneath the stairs and you're givin' back  
some glares  
To the people that you met, and it's your first cigarette  
Now you say you're leavin' home cause you want to be  
alone  
Ain't it funny how you feel when you're findin' our it's  
real

Oh - to live on Sugar Mountain  
With the barkers and the colored balloons  
You can't be twenty on Sugar Mountain  
Though you're thinkin' that you're leavin' there too  
soon.  
You're leavin' there too soon.

## STRANDED

Stranded, stranded on the toilet bowl,  
What do you do when you're stranded  
And you don't have a roll?

To prove you're a man,  
You must wipe with your hand!

Stranded, stranded on the toilet bowl,  
What do you do when you're stranded  
And you don't have a roll?

To prove you're a girl,  
You must wipe with a curl!

That's what you do when you're stranded  
stranded on the toilet bowl!

## SUNSHINE ON MY SHOULDERS

### CHORUS:

Sunshine on my shoulders makes me happy.  
Sunshine in my eyes can make me sad.  
Sunshine on the water looks so lovely  
Sunshine almost always makes me cry.

If I had a day that I could give you  
I'd give to you a day just like today  
If I had a song that I could sing for you  
I'd sing a song to make you feel this way.

### CHORUS

If I had a tale that I could tell you  
I'd tell a tale sure to make you smile  
If I had a wish that I could wish for you  
I'd make a wish for sunshine all the while.

### CHORUS

## SOMETIME LOVIN

I don't want your sometime lovin',  
That falls like summer's rain.  
For I've slept through two long winters,  
And love's been where my head has lain.

When you've wandered through the snowfall,  
Through the pines on which she's lain,  
When you've seen the way she holds them,  
Come and hold me once again.

And when you've heard a river laughing,  
As she bends the rocks and sand.  
Seen a wave crossing an ocean,  
Come and take me by the hand.

When you've seen a hungry grassland,  
Reach out to kiss the rain.  
When you've seen how strong her kiss is,  
Come and kiss me once again.

And when the earth has turned her season,  
And her love has brought the grain.  
If you find that love inside you,  
Come and live with me again.

## SWEETHEART TREE

They say there's a tree in the forest  
A tree that will give you a sign  
Come along with me to the sweetheart tree  
Come and carve your name next to mine

They say if you kiss the right sweetheart  
The one you've been waiting for  
Big blossoms of white will burst into sight  
And your love will be true evermore.

(also known as the Nit-Nat Tree in the summer of '68)

They say there's a tree in the forest  
A tree that will give you a sign  
Come along with me to the knit-knat tree  
Where the road apples are so fine

They say if you catch the right knit-knat  
The one you've been waiting for  
Then road apples brown, will fall to the ground  
and the earth will be richer evermore.

## TAKE ME OUT TO THE BALL GAME

Take me out  
To the ball game  
Take me out  
With the crowd  
Buy me some peanuts  
And Crackerjacks  
I don't care if  
I never never get back

Let me root, root root  
For the home team  
If they don't win  
It's a shame  
For it's one, two,  
Three strikes you're out  
At the old ball game!

## TONGO

Leader Says, Then Group Repeats)

Tongo  
Jimnee bye bye oh a lei  
Tongo  
Oom da ba de kim bye oh  
Ooh a lay  
Mah le pi ah lo way

## TENNESSEE STUD

Along about eighteen twenty five  
I left Tennessee very much alive  
I never would have forded the Arkansas flood  
If I hadn't been a-riding on the Tennessee stud

### REFRAIN:

The Tennessee stud was long and lean  
The color of the sun and his eyes were green  
He had the nerve and he had the blood  
And there never was a house like the Tennessee stud

I had a little trouble with my sweetheart's pa  
And one of her brothers was a bad outlaw  
I sent her a letter by my Uncle Fudd  
And I rode away on the Tennessee stud

### \* Refrain

We drifted on down into no man's land  
We crossed that river called the Rio Grand  
I raced my horse with a Spaniard's foal  
Till I got away on the Tennessee stud

### \* Refrain

Me and a gambler, we couldn't agree  
We got in a fight over Tennessee  
We jerked our guns and he fell with a thud  
And I got way on the Tennessee stud

### TELL ME WHY

Tell me why the stars do shine.  
Tell me why the ivy twines,  
Tell me why the sky's so blue,  
Then I will tell you just why I love you.

Because God made the stars to shine,  
Because God made the ivy twine,  
Because God made the sky so blue,  
Because God made you that's why I love you.

I sometimes think, that God above  
Created you, for me to love  
He picked you out, from all the rest  
Because God knew, I'd love you the best.

### \* Refrain

I got just as lonesome as a man could be  
Dreaming of my girl in Tennessee  
The Tennessee stud's green eyes turned blue  
Cause he was a-dreaming of his sweetheart too

### \* Refrain

We loped right back across Arkansas  
I whupped her brother and I whupped her pa  
I found that girl with the golden hair  
And she was a-riding on the Tennessee mare

### \* Refrain

Stirrup to stirrup and side by side  
We crossed the mountains and the valleys wide  
We come to Big Muddy and we forded the flood  
On the Tennessee Mare and the Tennessee stud

### \* Refrain

A pretty little baby on the cabin floor  
A little horse colt playing round the door  
I love that girl with the golden hair  
And the Tennessee stud loves the Tennessee mare

### TAPS

Day is done, gone the sun,  
From the lake, from the hills, from the sky;  
All is well, safely rest, God is nigh.

Fading light, dims the sight,  
And a star gems the sky, gleaming bright.  
From afar, drawing nigh, falls the night.

Thanks and praise, for our days,  
'Neath the sun, 'neath the stars, 'neath the sky;  
As we go, this we know, God is nigh.

Sun has set, shadows come,  
Time has fled, campers must go to their beds  
Always true to the promise that they made.

While the light fades from sight,  
And the stars gleaming rays softly send,  
To thy hands we our souls, Lord, commend.

### THAT'S WHAT YOU GET FOR LOVIN ME

That's what you get for lovin' me  
That's what you get for lovin' me  
Everything you had is gone, as you can see  
That's what you get for lovin' me.

I ain't the kind to hang around  
With any new love that I've found  
Movin' is my stock in trade  
I'm movin on  
I won't think of you when I'm gone.

So don't you shed a tear for me  
I ain't the love you thought I'd be  
I've got a hundred more like you  
so don't be blue  
I'll have a thousand 'fore I'm through.

Now there you go you're crying again  
Now there you go you're crying again  
But then someday when your poor heart  
is on the mend  
I just might pass this way again

That's what you get for lovin' me  
That's what you get for lovin' me  
Everything you had is gone, as you can see  
That's what you get for lovin' me.

### THEY'RE RIOTING IN AFRICA

They're rioting in Africa  
They're striking in Spain  
They're hurricanes in Florida  
And Carlisle needs rain

The whole world is festering with unhappy souls  
The French hate the Germans the Germans hate the  
Poles  
Italians hate Yugoslavs South Africans hate the Dutch  
And I don't like anybody very much

But we may be tranquil and thankful and proud  
For man is endowed with a mushroom shaped cloud  
And we know for certain that some lucky day  
Camelot will set the spark off  
And we will all be blown away

They're rioting in Africa  
They're striking in Iran  
What nature doesn't do to us  
Will be done by our fellow man

### THREE JOLLY FISHERMEN

There were three jolly fishermen,  
There were three jolly fishermen,

## THIS LAND IS YOUR LAND

Chorus:

This land is your land, this land is my land  
From California, to the New York Island  
From the redwood forest, to the gulf stream waters  
This land was made for you and me

As I was walking a ribbon of highway  
I saw above me an endless skyway  
I saw below me a golden valley  
This land was made for you and me

Chorus

I've roamed and rambled and I've followed my  
footsteps  
To the sparkling sands of her diamond deserts  
And all around me a voice was sounding  
This land was made for you and me

Chorus

The sun comes shining as I was strolling  
The wheat fields waving and the dust clouds rolling  
The fog was lifting a voice come chanting  
This land was made for you and me

Chorus

As I was walkin' - I saw a sign there  
And that sign said - no tress passin'  
But on the other side .... it didn't say nothin!  
Now that side was made for you and me!

Chorus

In the squares of the city - In the shadow of the steeple  
Near the relief office - I see my people  
And some are grumblin' and some are wonderin'  
If this land's still made for you and me.

Chorus (2x)

## THIS LITTLE LIGHT OF MINE

This little light of mine,  
I'm going to let it shine.  
This little light of mine,  
I'm going to let it shine.  
This little light of mine,  
I'm going to let it shine,  
Ev'ry day, ev'ry day,  
Ev'ry day, ev'ry day,  
Gonna let my little light shine.

On Monday, he gave me the gift of love;  
On Tuesday, peace came from above.  
On Wednesday told me to have more faith;  
On Thursday, gave me a little more grace.  
On Friday, told me to watch and pray  
On Saturday, told me just what to say,  
On Sunday, gave power divine  
Just to let my little light shine. (oh)

This little light of mine,  
I'm going to let it shine.  
This little light of mine,  
I'm going to let it shine.  
This little light of mine,  
I'm going to let it shine,  
Ev'ry day, ev'ry day,  
Ev'ry day, ev'ry day,  
Gonna let my little light shine.

Now some say you got to run and hide.  
But we say there's no place to hide.  
And some say let others decide,  
But we say let the people decide.  
Some say the time's not right,  
But we say the time's just right.  
If there's a dark corner in our land,  
You got to let your little light shine. (oh)

This little light of mine,  
I'm going to let it shine.  
This little light of mine,  
I'm going to let it shine.  
This little light of mine,  
I'm going to let it shine,  
Ev'ry day, ev'ry day,  
Ev'ry day, ev'ry day,  
Gonna let my little light shine.

## TIME IN A BOTTLE

If I could save time in a bottle  
The first thing that I'd like to do  
Is to save every day  
Till Eternity passes away  
Just to spend them with you

### CHORUS:

But there never seems to be enough time  
To do the things you want to do  
Once you find them  
I've looked around enough to know  
That you're the one I want to go  
Through time with

If I could make days last forever  
If words could make wishes come true  
I'd save every day like a treasure and then,  
Again, I would spend them with you

### CHORUS

If I had a box just for wishes  
And dreams that had never come true  
The box would be empty except for the memory  
Of how they were answered by you

### CHORUS

## TIMES HAVE CHANGED

Times have changed, Times have changed.  
All the good times that we had are gone now;  
Passed this way, Passed this way.  
Only mem'ries will remain, tomorrow.

I thought my dreams would be enough for a while,  
And all the plans that we made.  
Hey, we had love, that was all that we had;  
Even that don't seem the same.

Peace of mind, Peace of mind.  
where's the happiness we should be havin'?  
We can't find any answers in the good times we had.

I thought my dreams would be enough for a while,  
And all the plans that we made.  
Hey, we had love, that was all that we had;  
Even that don't seem the same.

Peace of mind, Peace of mind.  
Where's the happiness we should be havin'?  
We can't find any answers in the good times we had.

## TIME AT CAMP CARLISLE

(tune: Time in a bottle,  
4<sup>th</sup> year campers song, 2<sup>nd</sup> big kids session, 1976)

If I could save time at Camp Carlisle  
I'd spend every moment with you  
All the memories will last  
the good times remain  
Though I may not see you again

### CHORUS:

The Day is Done, Our time is gone  
We'll be leaving after dawn, Tomorrow  
We won't be back for awhile  
You know we'll miss you  
Camp Carlisle,  
We Love You.

We'll miss the songs of Camp Carlisle  
next year we'll sing them alone  
The love and friendship and all of the beauty  
Are memories that we'll call our own

### CHORUS

But most of all we'll miss the people  
Our love and our friendships true  
It won't be as special when we leave Carlisle  
For we know our camping days are through

### CHORUS

## TITANIC

Oh, they built the ship Titanic to sail the ocean blue,  
And they thought they had a ship  
That the water wouldn't go through;  
But, the good Lord raised his hand,  
Said this ship will never land,  
It was sad when the great ship went down.

### CHORUS

It was sad, it was sad,  
It was sad when the great ship went down  
To the bottom of the sea  
(Uncles and Aunts, little children lost their pants),  
It was sad when that great ship went down.

Oh, they sailed for England's land  
and had almost reached the shore,  
When the rich refused to associate with the poor,  
So they put them down below,  
where they were the first to go,  
It was sad when the great ship went down.

### CHORUS

Oh the people were afraid,  
and they started in to flee  
and the band struck up:  
'Oh nearer my God to Thee'  
The captain tried to wire  
but the lines were all on fire  
It was sad when the great ship went down

### CHORUS

She pointed her nose down  
as she started in to plunge  
and the crew lined up  
and all of them shot their lunch  
the Captain he was grim  
as the water reached his chin  
it was sad when that great ship went down

EVERYBODY....

### CHORUS

## TODAY MEDLEY

But lost forever is yesterday, and I don't believe in  
tomorrow. I used to believe in the rainbow's end. But  
it only brought me sorrow.

## TWO BROTHERS

Two brothers on their way  
Two brothers on their way  
Two brothers on their way  
One wore blue And one wore grey  
One wore blue and one wore grey  
As they marched along the way  
A fife and drum began to play  
All on a beautiful morning

One was gentle, one was kind  
One was gentle, one was kind  
One came home, one stayed behind  
A cannonball don't pay no mind  
A cannonball don't pay no mind  
Though you're gentle or you're kind  
Don't care about loved ones left behind  
All on a beautiful morning

Two girls waiting by the railroad track  
Two girls waiting by the railroad track  
For their darlings to come back  
One wore blue, and one wore black  
One wore blue, and one wore black  
Waiting by the railroad track  
For their darlings to come back  
All on a beautiful morning

One wore blue, and one wore black  
Waiting by the railroad track  
For their darlings to come back  
All on a beautiful morning  
All on a beautiful morning

## TODAY

Today while the blossoms still cling to the vine  
I'll taste your strawberries I'll drink your sweet wine  
A million tomorrow shall all pass away  
'Ere I forget all the joy that is mine, today.

I'll be a dandy and I'll be a rover  
you know who I am by the songs that I sing  
I'll feast at your table I'll sleep in your clover  
who cares what tomorrow shall bring

I can't be contented with yesterday's glory  
I can't live on promises winter to spring  
Today is my moment now is my story  
I'll laugh and I'll cry and I'll sing

## THE TREES THEY GROW TALL

Oh the trees they grow tall and the leaves they are green.

Many a time my true love I have seen  
Many an hour I've watched him all alone  
He's young but he's daily growin'.

I remember so well over my father's wall  
I heard the boys a-singin',  
i could hear them bouncin' tall.  
And my own true love was the fairest of them all  
He's young but he's daily growin'.

Oh father, dear father, you've done me great wrong,  
You've married me off to a boy that's much too young.  
Oh, I am twice twelve, and he's but fourteen.  
He's young but he's daily growin'.

Oh daughter, dear daughter, I have done you no wrong,  
I've married you to a rich man's son  
For he will be a lord for you to wait upon.  
Yes, he's young but he's daily growin'.

Father, dear Father, if you see fit  
We'll send him to college for one year yet  
I'll tie blue ribbons all around his head  
to let the maidens know he's taken.

At the age of fourteen he was a married man  
At the age of fifteen the father of a son.  
At the age of sixteen his grave it was green  
When death put a stop to his growin'.

But he born me one son, so i can pass the time  
Watching my boy while he's growin'  
An' I will watch him rise till he's become a man.  
He's young now but he's daily growin'.

## TROG SONG

(From Kelly Fleshman Shamblin: Here's a trog song we wrote for our 4th year song, or maybe sometime when we were on Junior Staff, sung to the tune of....Some Say Love, It Is A River)

Some say trogs, they are humongous & never miss a meal  
Some say trogs, they love potatoes & even eat the peel.  
Some say trogs, forever hungry, they cannot eat enough  
So they dream of steak & lobster, and all that fattening stuff.

It's the food that's always burning & it still tastes pretty good.  
It's the weight we're always gaining, we've never lost it, never could.  
Since we're always eating something, we can not get a date  
So we sit around the table & eat till it's too late.

They say campers in the trogland sometimes get no food  
Because the counselors beat them to it 9 times out of 10  
Just remember who's the greatest,  
Above the pig, above the hog  
Lies the seed that with a cook's love  
In the summer becomes the trog.

Great song, huh! I can still hear the guys singing,  
"Troaaaaauug, troaug, troaaaaauug,..."

## THE LORD'S PRAYER

Our Father who art in heaven  
Hallowed be Thy name  
Thy kingdom come ,  
Thy will be done  
On earth as it is in heaven  
Give us this day our daily bread  
and forgive us our trespasses  
As we forgive those who trespass against us  
And lead us not into temptation  
But deliver us from evil  
For thine is the kingdom and the power  
and the glory  
Forever and ever  
Amen

## TWO OUT OF THREE AIN'T BAD

Baby, we can talk all night  
But that ain't getting us nowhere  
I told you everything I possibly can  
There's nothing left inside of me.

And maybe you can cry all night  
But that'll never change the way that I feel  
The snow is really piling up outside  
I wish you wouldn't make me leave here.

I poured it on and I poured it out  
I tried to show you just how much I care  
I'm tired of words and I'm too hoarse to shout  
But you've been cold to me so long  
I'm crying icicles instead of tears.

And all I can do is keep on telling you  
I want you  
I need you  
But there ain't no way I'm ever gonna love you  
Now don't be sad  
'Cause two out of three ain't bad  
Now don't be sad  
'Cause two out of three ain't bad

You'll never find your gold on a sandy beach  
You'll never drill for oil on a city street  
I know you're looking for a ruby in a mountain of rocks  
But there ain't no Coupe De Ville hiding at the bottom of a  
Cracker Jack box.

I can't lie  
I can't tell you that I'm something I'm not  
No matter how I try  
I'll never be able  
To give you something  
Something that I just haven't got.

There's only one girl that I will ever love  
And that was so many years ago  
And though I know I'll never get her out of my heart  
She never loved me back  
Ooh I know  
I remember how she left me on a stormy night  
She kissed me and got out of our bed  
And though I pleaded and I begged her not to walk out that  
door  
She packed her bags and turned right away

And she kept on telling me  
She kept on telling me  
She kept on telling me  
I want you  
I need you  
But there ain't no way I'm ever gonna love you  
Now don't be sad  
'Cause two out of three ain't bad

I want you  
I need you  
But there ain't no way I'm ever gonna love you  
Now don't be sad  
'Cause two out of three ain't bad  
Don't be sad  
'Cause two out of three ain't bad

Baby we talk all night  
But that ain't getting us nowhere.

## UNTIL IT'S TIME FOR YOU TO GO

You're not a dream, you're not an angel, you're a man  
I'm not a queen, I'm a woman, take my hand  
We'll make a place in this life that we've planned  
And here we'll stay until it's time for you to go.

Yes we're different worlds apart, we're not the same  
We laughed and played at the start, like in a game  
You could have stayed outside my heart  
but in you came  
And here you'll stay until it's time for you to go.

Don't ask why, don't ask how  
Don't ask forever, love me, love me,  
love me, love me now

This love of mine had no beginning, it has no end  
I was an oak, now I'm a willow, now I can bend  
And though I'll never in my life see you again  
Still I'll stay until it's time for you to go.

Don't ask why, don't ask how  
Don't ask forever, love me, love me,  
love me, love me now  
This love of mine had no beginning, it has no end  
I was an oak, now I'm a willow and I can bend  
And though I'll never in my life see you again  
Here I'll stay until it's time for you to go  
Yes I'll stay until it's time for you to go.

## UNITED WE STAND

For united we stand Divided we fall  
And if our backs should ever be against the wall  
We'll be together, together, you and I

There's nowhere in the world that I would rather be  
Than with you my love  
And there's nothing in the world that I would rather see  
Than your smile my love

For united we stand Divided we fall  
And if our backs should ever be against the wall  
We'll be together, together, you and I

## WAR HOOP

He was a big bold man this desperado.  
From Cripple Creek way down in Colorado.  
& he horsed around like a big tornado.  
& everywhere he went he gave his war hoop "War Hoop"

There was a desperado from the wild & woolly west.  
He wore a big sombrero & 2 guns across his chest.  
He rode into Chicago just to give the West a rest.  
and everywhere he went he gave his war hoop "War Hoop"

One day the desperado came to town just for the night,  
to see the hoochy cootchy girls all dressed up in tights.  
He got so darned excited that he shot out all the lights,  
and they heard him holler out his war hoop "War Hoop"

There was a big policeman just a walkin on his beat.  
He saw the desperado comin walkin down the street.  
He grabbed him by the collar & he grabbed him by the seat,  
and put him where he couldn't holler war hoop "War Hoop"

## WE USED TO GO IN SWIMMIN'

We used to go in swimmin'  
Where there were no women  
Down by the deep blue sea

Seeing noone there I hung my underwear  
Upon a willow tree  
Dove into the water just like Pharoahs daughter  
Dove into the Nile  
Someone saw me there and stole my underwear  
And left me with a smile.

And if the world about you falls apart my love  
Then I'll still be here  
And if the going gets too hard along the way  
Just you call, I'll hear

For united we stand Divided we fall  
And if our backs should ever be against the wall  
We'll be together, together, you and I

## WATERCOLORS

I remember photographs - watercolors of the past -  
He turned and said, "You ask much of me."  
Then when we made our peace, we lay between the sheets,  
He turned and said, "I set you free."  
Go on, be a hero, be a photograph.  
Make your own myths - Christ - I hope they last  
Longer than mine, wider than the sky we measure time by.  
Go on, be a hero, I set you free.  
Your stagehand lovers have conquered me.  
They'll send you carnations,  
While smiling faces look on and applaud -  
Go on, go on, go away from me.

I said, "Do you wish me dead?"  
Lip service to books you've read:  
Articles on how to bed a bird in flight.  
You called it love, I call it greed.  
You say, "You take what you want."  
I say, "You get what you need."  
Go on, be a hero, be a man.  
Make your own destiny if you can.  
Go find a fence, locate a shell, and hide yourself -  
Go on, go to hell, go away from me.  
I need no charity.

He said, "Come unto me, I am beauty, I am the light.  
Come unto me, hold the darkness and stay the night.  
I am wonder, I am the heart's delight,  
Tomorrow we'll fight.  
Come on, come on, come on - come near to me.  
Come be my fantasy.  
We'll talk it over again sometime.  
I'll send some flowers to change your mind.  
But for tonight, turn out the light, and hold me  
Come on, come on, set me free -  
Lend me your charity."

### WE WELCOME YOU TO CAMELOT

### WEENIE MAN

I know a weenie man  
he owns a weenie stand  
he sell most everything  
from hot dogs on down

Someday I'll join his life  
I'll be his weenie wife  
Hot Dog, I love that weenie man !

### WHITE CORAL BELLS

White Choral bells upon a slender stalk  
Lillies of the valley deck my garden walk  
Oh, don't you wish that you could hear them ring?  
That will happen only when the fairies sing.

### THE WISEMEN

God gave the wisemen their courage  
and to the poets their dreams  
to Father and Mother  
their love for each other  
but he left me out so it seems

So I went around broken hearted  
thinking love was an empty affair  
but when God gave me you  
it was then that I knew  
he had given me more than my share.

## WHERE HAVE ALL THE FLOWERS GONE

Where have all the flowers gone?  
Long time passing  
Where have all the flowers gone?  
Long time ago  
Where have all the flowers gone?  
Girls have picked them every one  
When will they ever learn?  
When will they ever learn?  
Where have all the young girls gone?  
Long time passing  
Where have all the young girls gone?  
Long time ago  
Where have all the young girls gone?  
Taken husbands every one  
When will they ever learn?  
When will they ever learn?  
Where have all the young men gone?  
Long time passing  
Where have all the young men gone?  
Long time ago  
Where have all the young men gone?  
Gone for soldiers every one  
When will they ever learn?  
When will they ever learn?  
Where have all the soldiers gone?  
Long time passing  
Where have all the soldiers gone?  
Long time ago  
Where have all the soldiers gone?  
Gone to graveyards every one  
When will they ever learn?  
When will they ever learn?  
Where have all the graveyards gone?  
Long time passing  
Where have all the graveyards gone?  
Long time ago  
Where have all the graveyards gone?  
Covered with flowers every one  
When will we ever learn?  
When will we ever learn?

## YESTERDAY

Yesterday all my troubles seemed so far away  
Now it looks as though they're here to stay  
Oh I believe in yesterday

Suddenly, I'm not half the man I used to be  
There's a shadow hanging over me  
Oh yesterday came suddenly

Why she had to go I don't know  
She wouldn't say  
I said something wrong now I long for yesterday

Yesterday all my troubles seemed so far away  
Now it looks as though they're here to stay  
Oh I believe in yesterday

Why she had to go I don't know  
She wouldn't say  
I said something wrong now I long for yesterday

Yesterday love was such an easy game to play  
Now I need a place to hide away  
Oh I believe in yesterday

## YOU DON'T MESS AROUND WITH JIM

Uptown got it's hustlers  
The bowery got it's burns  
42nd Street got Big Jim Walker  
He's a pool-shootin' son of a gun  
Yeah, he big and dumb as a man can come  
But he stronger than a country hoss  
And when the bad folks all get together at night  
You know they all call big Jim "Boss", just because

And they say  
You don't tug on Superman's cape  
You don't spit into the wind  
You don't pull the mask off that old Lone Ranger  
And you don't mess around with Jim

Well outta south Alabama came a country boy  
He say I'm lookin' for a man named Jim  
I am a pool-shootin' boy  
My name Willie McCoy  
But down home they call me Slim  
Yeah I'm lookin' for the king of 42nd Street  
He drivin' a drop top Cadillac  
Last week he took all my money  
And it may sound funny  
But I come to get my money back  
And everybody say Jack don't you know

You don't tug on Superman's cape  
You don't spit into the wind  
You don't pull the mask off that old Lone Ranger  
And you don't mess around with Jim

Well a hush fell over the pool room  
Jimmy come boppin' in off the street  
And when the cuttin' were done  
The only part that wasn't bloody  
Was the soles of the big man's feet  
Yeah he were cut in in bout a hundred places  
And he were shot in a couple more  
And you better believe  
They sung a different kind of story  
When big Jim hit the floor now they say

You don't tug on Superman's cape  
You don't spit into the wind  
You don't pull the mask off that old Lone Ranger  
And you don't mess around with Slim

Yeah, big Jim got his hat  
Find out where it's at  
And it's not hustlin' people strange to you  
Even if you do got a two-piece custom-made pool cue

Yeah you don't tug on Superman's cape  
You don't spit into the wind  
You don't pull the mask off the old Lone Ranger  
And you don't mess around with Slim

## YOU CAN'T GET TO HEAVEN

Oh, you can't get to heaven (Oh, you can't to heaven)  
On roller skates. (On roller skates.)  
You'll roll right by (You'll roll right by)  
Those pearly gates. (Those pearly gates.)  
Oh, you can't get to heaven on roller skates.  
You'll roll right by those pearly gates.

I ain't a-gonna grieve my Lord no more.  
I ain't a-gonna grieve my Lord no more.  
I ain't a-gonna grieve my Lord no more.  
I ain't a-gonna grieve my Lord no more.

Other verses include:

Oh, you can't get to heaven in Cindy's hat  
Cause Cindy's hat is full of bats.

Oh, you can't get to heaven in Becky's shoes  
Cause Becky's shoes are big as canoes.

Oh, you can't get to heaven in a rocking chair  
Cause the rocking chair won't take you there.

Oh, you can't get to heaven in a trolley car  
Cause the gosh darn thing won't go that far.

Oh, you can't get to heaven on a rocket ship  
Cause the rocket ship won't take that trip.

Oh, you can't get to heaven with powder and paint  
Cause the Lord don't want you as you ain't.

Oh, you can't get to heaven in a limousine  
Cause the Lord don't sell no gasoline.

Oh, you can't get to heaven on a pair of skis  
Cause you'll schuss right through St. Peter's knees.

If you get to heaven before I do,  
Just bore a hole and pull me through.

If I get to heaven before you do,  
I'll plug that hole with shavings and glue.

"That's all there is. There ain't no more,"  
St. Peter said, and closed the door.

### YOU ARE MY SUNSHINE

The other night, dear, As I lay sleeping  
I dreamt I held you in my arms  
When I awoke, dear, I was mistaken  
And hung my head and cried

You are my sunshine, my only sunshine  
You make me happy, when skies are gray  
You'll never know dear, how much I love you  
Please don't take my sunshine away

### FRIENDSHIP II

You have brought some beauty to my life you know  
Or did you know  
That you have brought some beauty to my life

We have shared a smile, a tear and now I know  
which way to go  
For you have brought some beauty to my life.

I have not been blind to all the beauties of the earth  
But most of all I'm blessed to call you friend

God has touched my life in how you care for me  
and now I see  
That God has brought this beauty to my life.

### DONNA

On a wagon bound for market  
There's a calf with a mournful eye  
High above him there's a swallow  
Winging swiftly through the sky

How the winds are laughing  
They laugh with all their might  
Laugh and laugh the whole day through  
and half the winter's night

Donna, Donna, Donna, Donna  
Donna, Donna, Donna, Do  
Donna, Donna, Donna, Donna  
Donna, Donna, Donna, Do

### YOU'VE GOT A FRIEND

When you're down and troubled  
And you need some love and care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there to brighten up  
Even your darkest night.

You just call out my name  
And you know wherever I am  
I'll come running to see you again.  
Winter, spring, summer or fall,  
All you've got to do is call  
And I'll be there - yes, I will  
You've got a friend.

If they sky above you should turn dark and full of  
clouds  
And that ole' north wind should begin to blow.  
Keep your head together and call my name out loud  
Soon I'll be knockin' upon your door.

You just call out my name  
And you know wherever I am  
I'll come running to see you again.  
Winter, spring, summer or fall,  
All you've got to do is call  
And I'll be there - yes, I will  
You've got a friend.

Now ain't it good to know you've got a friend  
When people can be so cold  
They'll hurt you and desert you  
And take your soul if you let them  
Oh - but don't you let them.

You just call out my name  
And you know wherever I am  
I'll come running to see you again.  
Winter, spring, summer or fall,  
All you've got to do is call  
And I'll be there - yes, I will  
You've got a friend.

You've got a friend.  
You've got a friend.  
Ain't it good to know that you've got a friend?

## AND WHEN I DIE

And when I'm dead, dead and gone  
There'll be one child born and a world to carry on  
There'll be one child born to carry on

I'm not scared of dyin' and I don't really care  
If it's peace you find in dyin', well then let the time be near  
If it's peace you find in dyin' when dyin' time is near  
Just bundle up my coffin 'cause it's cold way down here

chorus

Give me my freedom for as long as I be  
All I ask of livin' is to have no chains on me  
All I ask of livin' is to have no chains on me  
And all I ask of dyin' is to go naturally

And when I die  
And when I'm gone  
There'll be one child born to carry on.

## CARLISLE BLUES

I've got the hey, ray, ra di doo da  
I've got the Carlisle Blues  
I've got the hey, ray, ra di doo da  
I've got the Carlisle Blues

Two steps forward, black bottom  
Two steps backward, Charleston

I've got the hey, ray, ra di doo da  
I've got the Carlisle Blues  
I've got the hey, ray, ra di doo da  
I've got the Carlisle Blu-u-u-ues  
I've got the Carlisle Blues, Yeah!

## CARLISLE FOLLIES

We are the girls of the Carlisle follies  
we dance around like rubber dollies  
Carlisle paid a fortune for us  
Put us in the Camelot chorus

Each of us has been to charm school  
Each of us will get our arms full  
Now you know the reason why  
Boys leave home and come to Camelot!

## DAY RUN

Day run, day run day run day run  
Day run, day run day run day run  
Day run, day run day run day run, Ohhhhhhhhh

Well I met him on a Monday, Ohhhhhhhhh  
And we dated on a Tuesday, Ohhhhhhhhh  
And he kissed me on a Wednesday, Ohhhhhhhhh

Day run, day run day run day run  
Day run, day run day run day run  
Day run, day run day run day run, Ohhhhhhhhh

Well he didn't call Thursday, Ohhhhhhhhh  
And he didn't call Friday, Ohhhhhhhhh  
Said bye-bye baby, Ohhhhhhhhh

Day run, day run day run day run  
Day run, day run day run day run  
Day run, day run day run day run, Ohhhhhhhhh

## DIFFERENT DRUM

You and I travel to the beat of a different drum  
Ah, can't you tell by the way I run  
Everytime you make eyes at me.

You cry and whoa and say it'll work out  
But honey child I've got my doubts  
You can't see the forest for the trees.

Oh, don't get me wrong, it's not that I knock it  
It's just that I'm not in the market  
For a boy that wants to love only me  
Yes, and I ain't sayin' you ain't pretty  
All I'm sayin' is I'm not ready  
For any person, place or thing  
To try and pull the reins in on me

So, good-bye, I will leave and I see no sense  
but is tried and agreed that we'll both live alot longer  
If you live without me.

### CATCH THE WIND

In the chilly hours and minutes of uncertainty  
I long to be in the warm heart of your love and mind  
To feel you all around me and to take your hand  
Along the sand, I bet I may as well try and catch the  
wind

When the sundown pales the sky, I want to hide awhile  
Behind your smile and everywhere I'd look, your eyes  
I'd find

For me to love you now would be the sweetest thing  
I want to sing, but I may as well try and catch the wind

When the rain has hung her leaves with tears  
I'll want you near to kill my fears  
And have me leave all my blues behind  
For standing in your heart is where  
I want to be and long to be  
I bet I may as well try and catch the wind

### GOODBYE

We've had this time together  
We knew it had to end  
We've seen all sorts of weather  
and found another friend  
We've laughed a lot together  
but now it's time to cry  
So go and God be with you, goodbye

Please don't forget the memories, the  
songs that we did sing  
A rainy day together  
to me memories will bring  
The moon in all its splendor  
that shines o'er us each night  
It's hard to think of leaving  
It doesn't seem quite right  
Though you hate to go  
We will miss you so  
Goodbye
