Description:

Welcome
campers, staff and friends of the Union Carbide Summer Camps!

Two years ago at the BIG 30th reunion, we unveiled the commemorative
plaques at Carlisle and Camelot on Blue Creek. Those plaques are still
there - a part of our legacy on the Creek! This year we hope to report
on the location of the Cliffside plaque. Come on out and remember those
magical summers!

Friday, July 25 - at the FOP in Charleston, WV 6-11 PM
Saturday and Sunday, July 26 and 27 - On Blue Creek
